MAN INJURED WHEN
AUTO TURNS TURTLE

GLENDALE, Aug. 7.—J. Pothast and Leo Connard of Miami were driving along Grand avenue near the People's Lumber Co.'s yard yesterday when Pothast's car suddenly turned turtle. The sprinkling wagon had just gone over the road and had left it rather slippery.

Mr. Pothast's hand was badly mangled in the accident and he was taken to Dr. Pearson's office where he had to have 10 stitches taken in his hand. Mr. Connard escaped without any injuries. The car was slightly damaged.

Plumbing Co. to Move
S. F. Anderson of the Glendale Plumbing company, announces that he will be located in his new rooms in the Moore building next to the Glendale Lumber yard by August 10. This location gives him a better chance to display his plumbing fixtures as it has much more display space than the old location.

New Garage Being Rushed
The addition to the building which Mr. Pearce recently purchased is being rushed to completion and will be ready for occupancy soon. The Glendale Plumbing company will soon vacate the rest of the building. The entire ground floor of the building will be used as a garage for repair work, display room and motor supplies. It will be known as the Glendale garage and will be one of the largest and best equipped in town.

Go North for Vacation
Mr. and Mrs. Dewey Little and William Jackson left yesterday morning for Prescott. Mr. Jackson will spend some time with his people there and the Littles will go on for a camping trip.

Go to Coast
Charles Hirock, one of the Glendale Lumber company's force, and his family left yesterday for the coast to spend a few weeks vacation.

Motor to Coast
L. E. Woolery and family left yesterday via auto for points along the California coast.

Holloway at Pantatorium
W. C. Holloway is attending to the business of the Little Pantatorium during the absence of Mr. and Mrs. Little.

QUESTIONS AND
ANSWERS

Q. At what sum of money do dimes and nickels cease to be legal tender?

A. S.

Q. The smaller sizes of money such as half dollars, dimes and nickels are legal tender in sums not exceeding \$10 on every payment.

Q. What is the area of Shantung?

A. V. O.

Q. The area of Shantung is 55,970 square miles, or about the size of the state of Illinois.

Q. What is a good way to remove wrinkles from the coat or skirt?—L. E. E.

A. To remove wrinkles from a coat or skirt, hang in the bathroom over the tub; close the windows and door and turn on the hot water; let it remain there two or three hours; then hang out in the fresh air.

(Any reader can get the answer to any question by writing The Republican Information Bureau, Frederic J. Haskin, Director, Washington, D. C. Give full name and address and enclose two-cent stamp for return postage. Be brief. All inquiries are confidential, the replies being sent direct to each individual.)

HURRIED JOURNEY OF
CIGAR CLERK-COOK
ENDED BY DEPUTY

Henry Terrell's absence from the city was so brief that the populace generally had not noted that he had gone. But Joe Strinker knew that a vacancy had been created by his departure, both in his money till at his place of business on South Center street and the place on the floor that had previously been occupied by a suit case and a hand bag.

Strinker made known his discovery to the sheriff's office where he gave accurate plans and specifications of the missing Terrell. Deputy Sheriff DeWitt figured that Terrell had departed from town by rail. He had learned that he was a cook by profession and would therefore not attempt the hardships of a desert or mountain road. The deputy sheriff knew also that there was only one train by which Terrell could have gone early on Monday morning; that train went north.

Accordingly he telephoned the sheriff's office at Prescott so that on the arrival of Terrell he was met at the train by Sheriff Davis. Deputy Sheriff Evan Wilson went after him and brought him in yesterday morning. He was arraigned before Justice Wheeler on a charge of embezzling \$20.46 from Joe Strinker. As that was only a misdemeanor he readily pleaded guilty to that. But the property in the hand bag and the suit case was valued at between \$200 and \$300. That was a different matter and Terrell was then held on a charge of grand larceny. He was held in the sum of \$1,000.

The suit case and bag, Mr. Strinker explained in court, contained wearing apparel belonging to two pair of honorees, Mr. and Mrs. W. H. Terry and Mr. and Mrs. Hoover of Yuma, who left the baggage in his place of business Monday when they departed for the White mountains.

Iron Springs

IRON SPRINGS, Aug. 5.—Great excitement prevailed in Iron Springs for the past two days which gave the appearance that at last Iron Springs had come to its own important place. No less than six large main line trains, headed by huge locomotives, such as this camp rarely sees, passed through westward bound. The cause of this was washouts somewhere in the north. The easterners had the opportunity of seeing what a delightful place Iron Springs is and although the camp was much elated, good luck cannot last forever, for now only the trains of the branch lines are passing through Iron Springs.

Friday Mrs. Raymond Bothin entertained delightfully with an informal luncheon in honor of her mother Mrs. A. S. Hawley. Her guests were Mrs. W. S. Hefflin, Mrs. T. E. Irvine and Mrs. E. J. Hawley.

Miss Jennie Hudgins is spending a week in Iron Springs as the guest of Miss Isabelle Irvine.

The Friday night arrivals to remain over the week-end were Mr. and Mrs. V. O. Wallingford, O. N. Handley, L. Allen, Dr. Goodrich, T. E. Irvine, L. N. Butler.

Mr. Felow is in camp again after an absence of two weeks.

Saturday Mr. and Mrs. Porter Hefflin, Clarence Hefflin, Mrs. E. J. Hawley and Mrs. Raymond Bothin motored to Prescott and spent the day shopping.

Mr. and Mrs. T. E. Irvine spent Saturday and Sunday in Prescott.

Mrs. Ernest Lewis returned to Phoenix Tuesday evening. She will be back again in a few days.

Saturday evening Mr. and Mrs. P. Alice and Mr. and Mrs. O. N. Handley and their kiddies climbed city hill and enjoyed a picnic supper at the top.

Those who arrived on Saturday night's train were E. T. Collins, J. L. B. Alexander, Raymond Battin, W. S. Hefflin, and R. E. Lewis.

Two Rocky and came back and enjoyed a late supper at the cottage of Mr. and Mrs. Hugh Weatherford. Be-

sides the Weatherfords there were Mr. and Mrs. Porter Hefflin, Mr. and Mrs. Raymond Battin and Mrs. E. J. Hawley. Roy Patton is spending a few days in Iron Springs with his family.

In a motor party to Senator mine Sunday were Mr. and Mrs. Porter Hefflin, Mr. and Mrs. Raymond Battin and Mrs. E. J. Hawley.

Dr. and Mrs. Goodrich left for Phoenix Sunday evening. They will leave very soon for the coast as it is their intention to be there in time to see the fleet.

Mr. and Mrs. Jo Brown arrived Sunday. They motored up from Phoenix.

Mrs. E. J. Bennett left Sunday to spend a few days in Phoenix.

After spending a few days in Iron Springs, Lloyd Teille, John Latham and Donald Hiltz left Sunday evening.

Arthur Gibbons Hulett returned to Phoenix Sunday evening. He will go to California from there.

Miss Margaret Cronin who spent two weeks in camp as the guest of Miss Elmer Alexander, returned home Sunday.

Mr. and Mrs. Harold Baxter arrived in camp Sunday from New York. Mr. Baxter just recently returned from overseas where he was doing Red Cross work. Mrs. Baxter will be the guest of Mrs. J. L. B. Alexander for some time but Mr. Baxter will go on to Phoenix.

The Austin family have opened the Walter Bennett cottage for the remainder of the season.

Harry Mettlin and Sidney Myers motored up from Phoenix Sunday.

Edward Marshall and W. S. Hefflin left on the early morning train Monday.

The arrivals on Monday noon's train were Mrs. Kate Kirkland, Miss Bertha Kirkland and Miss Lillian Norris. They will be the guests of the Emery Kays.

Mrs. Redewill is back in camp again. She was ill and it was necessary for her to return to Phoenix for some time but now that she has recovered she is here again for the remainder of the summer.

Miss McComas arrived Monday to be the guest of her sister, Mrs. Marshall Humphries.

Mrs. E. J. Hawley and Mrs. Raymond Battin were the instigators of a marsh-mallow roast at city hill gulch Monday evening. Those who enjoyed it were Mrs. E. J. Hawley, Mrs. Hugh Weatherford, Mr. and Mrs. Porter Hefflin, Miss Jennie Hudgins, Miss Isabelle Irvine, Raymond Battin and Clarence Hefflin.

Get Your Tractor Now

F. O. B. PHOENIX \$1175.00 Present price guaranteed to Nov. 1st only.

A Tractor operating successfully on low-priced, low-grade fuels—kerosene, distillate, etc., in a paying investment from the very outset. This has been proved by the records of many thousands of TITAN 10-20 tractors specially designed and built to operate on kerosene, or any other crude oil distillate testing 39 degrees Baume or higher.

Titan Tractors
Are All Alike

They are easier to handle than a farm team and easier to care for. You can get your work done on time, plow deeper, prepare better seed beds, do more work with less help, and get more profit from your farm. They do belt work that cannot be done by horses and pull more in proportion to weight than horses. Horses must have rest whether the work is crowding you or not. If necessary, you can keep your Titan working continuously, without rest, until the work is done.

Here you have economy, efficiency, dependability—three prime essentials of farm power—carrying an assurance of bigger crops, better yields, and fatter profit. Order a Titan early, so that you will have it when you need reserve power.
